Chairman's Message

We are making a humble attempt to create a better tomorrow by imparting quality professional education with Industry Interface. We believe that student life should make a positive difference and the Pharmacy program should provide opportunity to build competency in the individual to face the challenges in professional career.

Dean's Message:

Pharmacy is versatile, dynamic, growing and increasingly diverse profession, which creates an excitement because there are so many opportunities for service. It is an age old profession which has transformed into a hub for "Global Health Care" and evolved as a multidisciplinary and multifaceted field in recent times with the phenomenal rate of advances in the pharmaceutical Industry. The health sector has thrown often a set of opportunities for pharmacy profession. Pharmacists serves in all areas of health care and also represent the 3rd largest healthcare professional group in the world.
